Privacy Policy for QScan

Last updated: December 2025

This Privacy Policy describes how the mobile application **QScan** (“the App”, “we”, “our”, or “us”) handles information when you use it.

---

1. Overview

QScan is a simple QR code and barcode scanner application. The App is designed to work **entirely locally on the user’s device** and does **not collect, store, transmit, or share any personal or non-personal user data**.

---

2. Information We Do Not Collect

We explicitly state that QScan does **not** collect:

- Personal information (such as name, email address, phone number, or identifiers)
- Device identifiers (IMEI, Android ID, advertising ID, etc.)
- Location data
- Usage analytics or behavior tracking data
- Crash reports or diagnostic logs
- Images, photos, or camera frames
- Scanned QR codes or barcode contents

All scanning and decoding operations are performed **in real time on the device** and are **not saved or transmitted**.

---

3. Camera Permission

The App requires access to the device **camera** solely for the purpose of scanning QR codes and barcodes.

- Camera access is used **only while scanning**
- Camera data is **not recorded, stored, or transmitted**
- No images or video are saved

The camera permission is optional but necessary for the core functionality of the App.

---

4. Links and Scanned Content

When scanning a QR code or barcode that contains a URL or other information:

- The decoded content is shown directly to the user
- Any action (such as opening a website) is initiated **only by the user**
- QScan does not control, monitor, or modify third-party websites or content

We recommend reviewing the privacy policies of any external websites you choose to visit.

---

5. Third-Party Services

QScan:

- Does **not** use third-party analytics services
- Does **not** use advertising SDKs
- Does **not** integrate cloud services
- Does **not** share data with third parties

---

6. Data Storage

QScan does **not store any user data**, either locally or remotely.

---

7. Children's Privacy

QScan does not collect any data from users of any age, including children under 13. Since no data is collected, the App is compliant with applicable children's privacy regulations.

---

8. Changes to This Privacy Policy

If the App's functionality changes in a way that affects privacy, this Privacy Policy will be updated accordingly. Any updates will be reflected on this page with a revised "Last updated" date.

---

9. Contact Information

If you have questions about this Privacy Policy or the App, you may contact the developer at:

Email: tidesluck@icloud.com

(Replace this email with your real contact address before publishing.)

---

10. Consent

By using QScan, you acknowledge that you have read and understood this Privacy Policy and agree to its terms.
